History

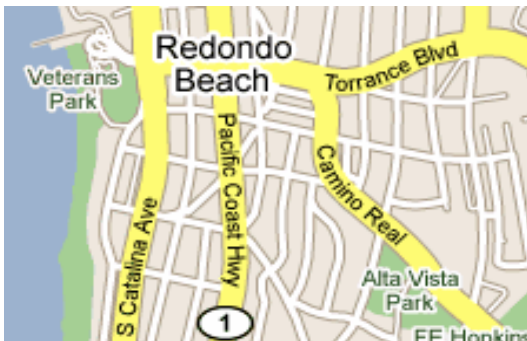

Veterans Park at 300 The Esplanade in Redondo Beach was dedicated by the city council in 1930. The park is located on 6.3 acres of land, on the southwest ocean-facing side of Torrance Boulevard and Catalina Avenue just south of the Redondo Beach pier.

Following the approval of a conceptual design by the City Council to develop a park memorial honoring the service of our country's veterans, the Redondo Beach Veterans Memorial Task Force was organized.

The cost to complete the memorial honoring all veterans is estimated at \$250,000.

Future Plans

Why Contribute

When brave men and women return from war and all the speeches fade.

When flag draped caskets have been lowered and the final words prayed.

There is a need for a special place to honor the memory and service these fellow citizens made.

A measure of a community is its commitment to provide a place of Honor to its citizens. The Redondo Beach Veterans Memorial Task Force was formed to erect this memorial.

- Brave men and women – our daughters, sons, fathers, mothers, brothers, sisters travel to distant lands to fight, be wounded, and die for our Country and our American Way of Life in a manner most of us will never understand.
- Our Veterans deserve a Memorial where they can go, alone or with loved ones, to Honor and keep fresh the reason for their sacrifice. A place dedicated and consecrated to them where they can remember and commune with those who fought alongside them for American Freedom.
- Our Civilians need a Memorial to reach across that invisible line into the world of the Veteran. A world hard to know, but reachable in spirit by being in a place dedicated to such men and women.
- Join your fellow citizens in our effort to build this Memorial by giving all you can, even as the men and women of our military have given.
- Your donation is tax deductible.

Redondo Beach Veterans Memorial 300 The Esplanade

Donation Form

The Veterans Memorial Plaza will be an addition to the existing Veterans Park Rotunda located at 300 The Esplanade, Redondo Beach, on the corner of Torrance Boulevard and Catalina Avenue. The existing Rotunda lacks direct access to Veterans Park, and the proposed design would provide immediate access to Veterans Park and incorporate a new

much-enhanced version of a Veterans Memorial Plaza.

The concept approved by the Redondo Beach City Council would add access by a new walkway west into the park through a new set of stairs that would lead to the new plaza featuring a raised pentagon stanchion holding the flagpole in the center of a star shape inside a pentagon within a circular plaza. This design allows for the five services to be honored with their respective emblems on the five pyramids created between the star and pentagon shapes.

We are looking for donations in support of this project. If you are interested in donating towards this exciting, worthwhile and attractive improvement to Veterans Park please indicate your generous contribution below.
